

## **Product overview**

Batteries for Marine and Leisure

## Start AGM EM960

| Part number                    | EM960                 | Polarity                       |
|--------------------------------|-----------------------|--------------------------------|
| Technology                     | AGM                   |                                |
| EAN/GTIN                       | 3661024036016         |                                |
| Voltage                        | 12 V                  |                                |
| Capacity                       | 100.0 Ah              | € ↓ ♥                          |
| CCA                            | 800 A                 | Terminal Type                  |
| MCA                            | 960                   | Ø195 Ø179                      |
| Length                         | 330 mm                | Bolt spec: British unit 55° 38 |
| Width                          | 173 mm                | Pos. laad terminal             |
| Height                         | 240 mm                | 38.5                           |
| Box size                       | G31                   | Hold Down                      |
| Polarity                       | ETN 1                 |                                |
| Terminal Type                  | SAE M 3/8" taper&stud |                                |
| Hold Down                      | B0                    |                                |
| Weights (subject of variation) | 31.00 kg              |                                |
