

**Product overview**

Batteries for Marine and Leisure

**Equipment Li-Ion EV1300S**

|                                |               |
|--------------------------------|---------------|
| Part number                    | EV1300S       |
| Technology                     | Li-Ion        |
| EAN/GTIN                       | 3661024037983 |
| Voltage                        | 12 V          |
| Capacity                       | 100 Ah        |
| Watt hour                      | 1300 Wh       |
| Length                         | 308 mm        |
| Width                          | 168 mm        |
| Height                         | 211 mm        |
| Box size                       | D31           |
| Polarity                       | ETN 1         |
| Terminal Type                  | Female M8     |
| Hold Down                      | B0            |
| Weights (subject of variation) | 12.10 kg      |
