

## Product overview

Batteries for Marine and Leisure

### Start SN1100

|                                |               |
|--------------------------------|---------------|
| Part number                    | SN1100        |
| Technology                     | Flooded       |
| EAN/GTIN                       | 3661024066051 |
| Voltage                        | 12 V          |
| Capacity                       | 180.0 Ah      |
| CCA                            | 1000 A        |
| MCA                            | 1100          |
| Length                         | 513 mm        |
| Width                          | 223 mm        |
| Height                         | 223 mm        |
| Box size                       | D05           |
| Polarity                       | ETN 3         |
| Terminal Type                  | EN taper post |
| Hold Down                      | B0            |
| Weights (subject of variation) | 42.80 kg      |

#### Polarity

#### Terminal Type

Positive Terminal

Negative Terminal

#### Hold Down
