

## Product overview

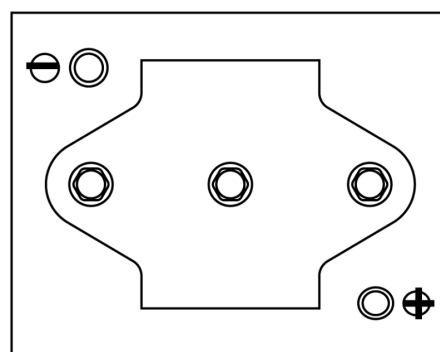

Batteries for Marine and Leisure

### Equipment GEL ES1000-6

|                                |               |
|--------------------------------|---------------|
| Part number                    | ES1000-6      |
| Technology                     | GEL           |
| EAN/GTIN                       | 3661024035811 |
| Voltage                        | 6 V           |
| Capacity                       | 195.0 Ah      |
| Watt hour                      | 1000 Wh       |
| Length                         | 244 mm        |
| Width                          | 190 mm        |
| Height                         | 275 mm        |
| Box size                       | GC2           |
| Polarity                       | ETN 0         |
| Terminal Type                  | EN taper post |
| Hold Down                      | B0            |
| Weights (subject of variation) | 28.00 kg      |

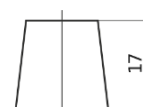

#### Polarity

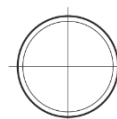

#### Terminal Type

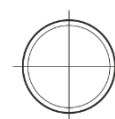

Ø19.5

Ø179

Positive Terminal

Negative Terminal

#### Hold Down
