

**Product overview**

Batteries for Marine and Leisure

**Equipment GEL ES290**

|                                |                  |
|--------------------------------|------------------|
| Part number                    | ES290            |
| Technology                     | GEL              |
| EAN/GTIN                       | 3661024035866    |
| Voltage                        | 12 V             |
| Capacity                       | 25.0 Ah          |
| Watt hour                      | 290 Wh           |
| Length                         | 166 mm           |
| Width                          | 175 mm           |
| Height                         | 125 mm           |
| Box size                       | P24              |
| Polarity                       | ETN 0            |
| Terminal Type                  | Flat lug hole M5 |
| Hold Down                      | B0               |
| Weights (subject of variation) | 9.60 kg          |
